

Vocabulary List for Context for Kids Episode 12— Made to Work!

Ezer k'negdo – a helper that is an equal, not like an animal or a machine.

Vocation - A vocation is a special job that God gives us the talent and ability and the calling to do.

Calling - A calling is when God sets us apart from other people in order to do a specific kind of work. Not to make us more important than other people, but to do a specific job.

'Ebed – to worship God (or a false god) or to serve Him or minister to Him in the Temple.

Shamar – a word that means to carefully guard something or someone (like the Garden) or keep something (like God's commandments)
